HOW TO USE THIS INDEX: You will find this index useful whether you are looking for a recipe by title or simply looking for something to make in general, maybe a certain kind of dish or one using a particular ingredient. Recipe titles are arranged alphabetically and within categories: for example, find the Brown Sugar Apple Pastries under "B" for "Brown." If you wanted to make an apple dessert but didn't have a specific recipe in mind, you would turn to "Apples." But if you just wanted to make a dessert, you could browse the index, reading through categories such as "Cobblers and Crisps," "Pies, Tarts, and Tartlets—Dessert," "Chocolate," "Cookies and Pastries," and so on.
