All the features and content you trust remain the same, and if you've chosen automatic updates in your download settings, your app will automatically update. If you haven't chosen automatic updates, click the button above to download. Our new app takes up less memory, is quicker to load, keeps up with operating system updates, and works on Android and Apple iOS.

All of your purchase history is retained in the new app. However, you will need to re-download past issues and past single copy purchases. To authenticate your subscriptions or prior purchases, sign in with the email address you used to buy the product. Then simply tap "Account" and "Restore purchases."

Download the new app now and continue to enjoy *Fine Gardening* on your mobile device.
